	Title:	"METHOD OF MODULATING CELLULAR ACTIVITY AND AGENTS USEFUL FOR SAME"

Sir:

Applicants request correction of Power of Attorney in the above-captioned patent.

The undersigned, Customer Number 24353, was properly given Power of Attorney with the Revocation of Power of Attorney filed August 6, 2007, executed by a representative of the assignee of the invention, Eberhard-Karls-Universitat Tubingen.

A subsequent Power of Attorney, executed by a representative of Nuon Therapeutics, Inc., to Customer Number 21971 was submitted on January 12, 2009 and accepted on January 13, 2009. As set forth in the subsequent Request for Withdrawal, that power of attorney was entered in error. The assignee of record is Eberhard-Karls-Universitat Tubingen, and not Nuon Therapeutics, Inc., and thus the Power should revert to the original Attorney of Record.

Applicant respectfully request that Power of Attorney be changed back to the appropriate firm and address associated with Customer No. 24353, as previously accepted on August 20, 2007.
